Cheltenham Accessibility

Office Address and Reception Telephone

Compass House
Lyppard Road, Cheltenham
Gloucestershire, GL50 2QJ

01242 221122

How to find us

By train
The office is approximately 15mins walk or a short taxi ride from Cheltenham Spa Railway Station.

By road
From M25
Leave the M5 at J11 and follow signs for Cheltenham (A40). You will pass GCHQ on your left-hand side and need to take the second exit at the next roundabout (signed Town Centre). Continue this road and at the traffic lights go straight ahead (right hand lane).

At the next roundabout (with a Texaco garage in the middle) take the second exit into Andover Road (signed University of Gloucestershire campus).

Lyppard Road is a sharp left hand turn just before the second pedestrian crossing. Follow the road round and Compass House is halfway down on the right-hand side.

By Road from A40 Oxford
You will enter Cheltenham along London Road. Follow the road down the hill towards the town centre and follow it as it turns left into Bath Road. Continue straight up Bath Road and turn right into Montpellier Terrace (Zurich building on your right).

At the roundabout carry straight on into Lansdown Road (signed for M5) and Lyppard Road is immediately on your left. Compass House is approximately halfway down on the left-hand side.

Parking
Visitor parking for Charles Russell Speechlys is available in the front carpark. However due to limited numbers it’s subject to availability upon request. We also have parking at the rear entrance which is more suitable for those with limited accessibility. If you require this, please request in advance by asking your host to contact the Facilities team on -

facilitiesteamcheltenham@crsblaw.com

Alternatively, additional free parking can be found on the surrounding roads.
Assisted Entry

Steps, lift and ramp info
We do have steps at the front entrance of the office so if you require assistance, we recommend you contacting us prior to your arrival on -

📞 01242 221122
(Cheltenham reception)

We have wheelchair access at the rear of the building, a lift on the premises and a portable ramp to help access the office. Should you require further assistance once inside, please advise the team on arrival or throughout your visit.
Assisted Entry, continued...

Accessible Toilets & Assistance Dogs
Our office has a wheelchair accessible toilet on the lower ground floor. We welcome guide dogs, hearing dogs and assistance dogs in the office.

Hard of Hearing
We have an audio induction loop (hearing loop) that sends sound directly to the telecoil receiver in a user’s hearing device at reception.

Questions & Queries
If you require further information on accessibility, then please contact our Facilities Helpdesk on-
