

July 2019

TMT Connect Newsletter

Welcome to the latest edition of our TMT Connect Newsletter.

This month's edition includes the first of a series of articles on the life cycle of a technology business, from initial funding through to exit. We also share insights from the Sourcing Industry Group Executive Global Summit in Florida (where members of our team presented), along with updates on digital transformation and data protection, topics that have kept us very busy in recent months.

We hope you enjoy the newsletter. If you have any suggestions for future topics, please get in touch.

Update from the Sourcing Industry Group Global Summit, Amelia Island FL

Megan Paul and Caroline Young, from our Commercial team, recently presented at the Sourcing Industry Group Executive Global Summit in Amelia Island, Florida. Here they share their insights from the Summit, focusing on the growing use of innovative technology in sourcing.

Digital Transformation – why good contract governance is essential

In contract negotiations, operational and governance provisions are often given comparatively little consideration. We examine a case that demonstrates the importance of getting them right, and of implementing effective contract governance processes.

Model Clauses Update

Facebook's appeal to stop the Irish High Court's referral to the ECJ on standard contractual clauses has been dismissed – are they now less attractive as a transfer mechanism?
