There is a public lift on Farringdon Street next to the steps that lead up to 5 Fleet Place. There is also a ramp that leads to Fleet Place via Limeburner Lane directly opposite the restaurant Obica. There are limited parking facilities subject to availability, detailed below.

Charles Russell Speechlys is situated on Levels 0, 4 – 9 in 5 Fleet Place. All visitors will need to check in with Ground Floor Reception on arrival then make their way to Level 7 where the Reception team will contact your host. For security purposes, please ensure you sign in and carry your pass.

There are several train stations situated locally, we would advise that you access their website to find out their detailed accessibility information.

Public lift to Fleet Place

Accessible lift via Farringdon Street – located on the left of the stairs.

Step free access via Limeburner Lane – please turn left at the end of the ramp to access 5 Fleet Place.

Step free access via Fleet Place – if you are arriving by City Thameslink (North Entrance)

Entrance to 5 Fleet Place

Push button automatic door - via the main entrance

Internal accessible lift – reception or security can assist if requested

Parking

The car park is located in the buildings loading bay which accessible via Old Fleet Lane.

Visitor parking for Charles Russell Speechlys is available, however due to limited numbers it's subject to availability upon request.

If you require this, please request in advance by asking your host to contact the Facilities team on London. FacilitiesHelpdesk@crsblaw.com

Accessible Toilets

Our office has wheelchair accessible toilets on ALL floors.

Assistance Dogs

We welcome guide dogs, hearing dogs and assistance dogs in the office.

Hard of Hearing

On the 7 and 8th floors we have an audio induction loop (hearing loop) that sends sound directly to the telecoil receiver in a user's hearing device.
